BUSINESS PACKAGES

Choose between one-day or one-and-a-half day meetings for 8-14 delegates.

All packages include accommodation in the main building in our beautifully restored bedrooms, all with ensuite bathrooms, Castle gourmet food and beverages. Our meeting rooms are fully equipped with modern conference facilities such as AV, flipcharts, whiteboards and free Wi-Fi.

The entire Castle is at your disposal, so should you wish to host a meeting in the banquet hall that can be arranged. The banquet table is 13 metres long, so there is plenty of room for everyone's ideas.

ACTIVITIES AND PURSUITS

Should you need inspiration, just ask us as we have plenty of experience in arranging a host of bespoke activities, ranging from golf, shooting, clay pigeon shooting, shooting lessons, riding, walks, visiting the wild horses or a guided tour of the Castle. Our guests also have choices such as sailing, fishing or visits to local art galleries and museums.

FOR SPOUSES

Countess Mette Ahlefeldt-Laurvig arranges special programmes for the partners of delegates.
